Dear Parents,

CHR PSG (Parents Support Group) consists of a group of parents who are very concerned about their children, about family, about education, about Singapore…. And they took the chance to work with the school to make our school, our nation, our world a better place. It is totally voluntary and under the general purview of the school. The school is thankful to have this group of caring, helpful and inspiring parents.

There will be an election of the new PSG executive committee on 3 May at 9 am. We welcome parents who share the same concern to attend this AGM.
