

25 July 2017

Dear Parents/Guardians

### 2017 Common Test Timetable

1. Please find attached the common test timetable for your child/ward. Please help us ensure that your child / ward is mindful of the schedule and starts revising his work as from today and achieve the targets he has set. Marks from this common test will form 50% of the CA2 grade.
2. The School Examination/ Guidelines can be found in pages 23 to 26 of the Pupil Handbook 2017. Please assist us in going through these rules so that your child / ward understands important examination protocol which is required to ensure examination integrity. Please note that if your child / ward violates any of these guidelines, adverse consequences will follow, e.g. being expelled from the examination hall and getting zero marks should they behave rowdily or attempt to cheat in an exam.
3. It is also important to note that when your child / ward is ill, please ensure that he sees a doctor and submits a valid medical certificate to the Form Teacher upon his return to school. Any case of absence without a **valid medical certificate** will be considered as "absent without valid reason" and no marks will be awarded for the particular paper he/she was absent for.
4. If you have any queries, please contact Mrs Felicia Koo at 6893 3297.

Yours sincerely

Mrs Felicia Koo  
SH/Mathematics
