Thank you for your partnership with the school in supporting our students in their learning journey. We are pleased to share with you the following programmes and activities after the examinations for both your child/ward and yourself. Every student will be issued a post exam timetable with details included.

1. Academic Programmes

1.1 Promotion Day

Students need not report to school on 19 Oct, Mon, due to Sec 1-3 promotion exercise.

1.2 National Education(NE) Experiential Learning Programme

1.3 Sec 3 Step Forward Programme

All Sec 3E and 3NA students will be required to attend the Step Forward Programme from 26 Oct to 6 Nov. Reporting time will be at 7.45am in their respective classrooms. The aim of this programme is to better prepare your child/ward for their graduating year in 2016.

1.4 Homework Programme

To help your child/ward be better prepared for next academic year's challenges, the school has planned End-of-year holiday assignments to reinforce their learning.

Please support your child/ward by ensuring that they manage their time properly and complete the assignments planned for them.

There are 2 important things to note with regard to the holiday assignments:

- a) The assignment grades will make up 10% of CA1 marks in 2016.
- b) Students who fail to submit their assignments on the 1st day of school will need to stay back after school to complete their assignments.
