Dear Parents / Guardians

## **Mid-Year Post-Exam Programmes 2016 (Sec 3NA/NT) and Meet The Parents Session**

Thank you for your partnership with the school in supporting our students in their learning journey. We are pleased to share with you the following programmes and activities after the examinations for both your child/ward and yourself. Every student will be issued a post exam timetable with details included.

### 1. Academic Programmes

#### 1.1 Marking Day

Students need not report to school on 16 May, Mon, as it is a Marking Day for Mid-Year Examinations.

#### 1.2 Enrichment Programme for Sec 3NA/NT : Communication Workshop

To enable students to present themselves coherently and confidently during interview sessions, for examples, direct polytechnics or ITE interviews, job interviews, the school has arranged an enrichment programme for Sec 3NA and 3NT students on 25 May.

#### 1.3 Homework Programme

To help your child/ward be better prepared for next semester's challenges, the school has carefully planned the mid-year holiday assignments to reinforce their learning.

Do support your child/ward by ensuring that they manage their time properly and complete the assignments planned for them.

There are 2 important things to note with regard to the assignments:

- a) Students are expected to submit their assignments on the 1<sup>st</sup> day of school.
- b) The assignment grades will make up 10% of CA2 marks.

*school philosophy*

Each Child has worth and must be nurtured to reach his/her fullest potential
